Support to Gender Equality and Women Political Participation in Georgia

Duration: 18.01.2021 - 16.01.2024

Countries:
Georgia

EU contribution: € 216 200

Funded by the European Union

Implementer:
GFA Consulting Group GMBH

Project description:
The project "Support to Gender Equality and Women Political Participation in Georgia" is a technical assistance, divided in 2 components, one focusing on enhancing gender equality as a cross-cutting issue in all fields of EU-Georgia cooperation and the other facilitating greater women political participation in Georgia. The component 1 will focus on mainstreaming gender dimension in EU cooperation programmes by analytical and mentoring support of the team. The component 2 will focus on increasing the women political participation by different activities: capacity-building, awareness-raising activities, visibility and communication events, knowledge exchange.

Expected results:
COMPONENT 1:
1.1. Short overview/update on situation as regards gender equality in Georgia elaborated every 6 months.
1.2. Short sectoral overviews/updates as regards gender equality in at least 5 sectors chosen for EUGeorgia cooperation in the framework of the EU programming 2021 and 2022.
1.3. Proposals elaborated on better reflecting gender dimension in EU-Georgia cooperation programme/project indicators, including assessment of their sources of verification, reliability, accessibility, etc.
1.4. Proposals on enhancing gender dimension in at least 5 ongoing EU-Georgia cooperation programmes in terms of envisaged activities, indicators and project implementation management, including elaboration of working documents to support the implementation of accepted proposals for at least two EU-Georgia cooperation programmes on Public Administration Reform and on Public Finance Management.
1.5. Organisation of at least 10 practical workshops and/or short training courses to the key stakeholders of each programme on gender dimension in respective sectors, identification/revision of gender sensitised actions and indicators.

COMPONENT 2:
2.1. Mapping report elaborated on the donor assistance needs of Georgia to achieve greater women political participation and recommendations for potential EU interventions.
2.2. Ad hoc expert support is provided to the Gender Equality Commission at the Government of Georgia, Gender Equality Council on women political empowerment and participation promotion.
2.3. Report on EU Member State experience relevant to Georgia on achieving greater women political participation elaborated as well as practical workshops for relevant national/local authorities, political parties, civil society organisations
