Project description:
The Project will be ongoing for 36 months, starting on 1 January 2024. The overall objective of the action is promote accessibility, independence, transparency, impartiality, and accountability within the justice system, including judicial reforms.

Expected results:
1. Civil society groups have better oversight of justice reforms and improved access to justice;
2. Transparency, accountability and accessibility of judiciary is enhanced by better availability of reasoned court decisions and investigative journalism.
