### Project description:

The “European School in Georgia” project (Phase II) was launched in 2021. As a flagship project, it represents a strategic priority for the Government of Georgia and the EU to address the needs of the youth, focusing on secondary education.

The project is part of the EU’s larger efforts to offer high quality education to students from all six Eastern Partnership (EaP) countries and was included as one of the “Eastern Partnership - 20 Deliverables for 2020”. The Project fosters cooperation, multicultural understanding and tolerance, as well as promotes a better understanding of the EU and its engagement in the region.

The second phase of the project will result in the establishment of the European School in Georgia, open to students from all EaP countries. The School will offer a two-track (Georgian and IB) Diploma programmes focused on multicultural education, language learning and high quality teaching.

The school will host the Eastern Partnership European Scholarship Programme for students from all EaP countries for the years to come, serve as a model school for the reform of public education in Georgia and facilitate high-quality learning that reflects European values and educational standards.

### Expected results:

1. School premises are built and equipped;
2. The Enrolment scheme, Admissions and Marketing plans, Governance, Organisational and Finance management structures are established and implemented;
3. A Teaching Training programme through a Learning Academy is developed and procedures for teacher selection, recruitment and continuous professional development are available;
4. High-quality curricula are developed, implemented and authorised for the school’s two-track system;
5. Scholarship Scheme for the European-focused IB Diploma Programme developed and available at the School for Students from all EaP countries; An IB Diploma Programme promoting European values is available and accessible to students of all six European Eastern neighbours and is enhanced by supplementary activities.
