Armenia, Georgia, Moldova and Ukraine participate fully in the Culture sub-programme and partially in the Media programme (Training, Festivals, Film Education and Market Access activities). Partner organisations from non-participating countries such as Azerbaijan and Belarus can be part of any Consortium that has the minimum amount of eligible partners. In the Culture sub-programme a maximum 30% of the allocated funding can be spent in third countries. Armenia is negotiating its participation in the Culture sub-programme of Creative Europe as of 1 January 2018.

- Enable the sectors to reach their economic potential, contributing to sustainable growth, jobs and social cohesion.
- Give Europe's culture and media sectors access to new international opportunities, markets and audiences.
