

Sustaining Migration Management in Georgia (ENIGMMA-2)

Duration: 29.04.2016 - 29.04.2023

Countries:
Georgia

EU contribution: € 4 300 000

Implementer:

The International Center For Migration Policy
Development

Website(s): enigma.ge/about/

Project description:

The project contributes to the sustainable enhancement of mobility and people-to-people contacts between the EU and Georgia. It builds on the experience of previous similar initiatives and addresses identified and potential migration-related risks of visa liberalisation in Georgia and the EU Member States, and maximises visa liberalisation benefits in areas covered by the project.

The project provides support to the Government of Georgia and its relevant agencies in implementation as well as monitoring and evaluation of the impact of Migration Strategy.

Expected results:

Sustainable implementation of the Migration Strategy is supported;

- Analytical capacities of the SCMI on forecasting, monitoring, evaluation and development of strategies to mitigate possible migratory effects of visa liberalisation are further enhanced;
- Capacities of SCMI in implementation, as well as monitoring and evaluation of the impact of the Migration Strategy implementation, without prejudice to Migration Strategy Action Plan and Evaluation Indicators document, are further enhanced;
- Comprehensive targeted information campaigns and measures promoting legal migration and employment channels and informing about the risks of irregular migration are (re)designed in accordance with the results of the situation analysis (link to the specific objective 1) and implemented;
- Regular consultations with migration authorities in EU member states– main countries of destination of Georgian migrants in order to develop legal channels for regularisation of Georgian migrants in irregular situation are established;
- Analytical capacities of the SCMI for effective implementation of the Migration Risk Analysis Concept is enhanced;
- Measures to promote legal migration channels between Georgia and the EU are designed and implemented;
- Exchange between EaP countries on migration education and research is improved;
- Capacity building of the SCMI institutions on EU migration acquis and selected areas of the Migration Strategy is
