Project description:

Twinning Project aims to strengthen parliamentary oversight in public finances. For that purpose, it will support ongoing developments of Parliamentary Budget Office and Budget and Finance Committee by strengthening their analytical capacity, communication strategies with stakeholders and ensure improved cooperation with civil society and general public. The activities of the project will increase accountability and improve fiscal transparency and contribute to the reinforcement of democratic legitimacy thus bringing direct benefit to Georgian citizens.

Expected results:

- Analytical Capacity of the Parliamentary Budget Office (PBO) increased;
- Visibility of the PBO increased;
- The Parliament’s Budget and Finance Committee’s communication with key actors of the budget process enhanced;
- Increased efficiency of BFC cooperation with other institutions and parliamentary committees;
- Improved BFC cooperation with the civil society and the general public;
