

Reinforcing the Child Welfare and Protection System in Georgia

Duration: 02.02.2019 - 30.06.2024

Countries:
Georgia

EU contribution: € 967 400

Implementer:
World Vision

Website(s): wvi.org/georgia; bavshvebistvis.org.ge/

Project description:

The Project aims to reinforce the child welfare reform in Georgia and ensure provision of quality alternative care for children.

Expected results:

- 1.1 Relevant mechanisms, models and capacity for strengthening the statutory social work system are developed and improved
- 1.2 SSA's capacity to provide quality alternative care services to vulnerable children is increased
- 1.3 SSA is informed on the non-regulated residential child care institutions and the capacity of relevant staff of the non-regulated institutions is increased
- 1.4 Deinstitutionalization process is reinforced and the state policy for alternative child care services is improved/regulated
