პროექტის აღწერა:

“Competition and State aid rules and practices alignment with the EU acquis” Project will contribute to sustainable and equitable recovery and economic competitiveness of Ukraine through strengthened and EU compliant competition and State aid frameworks, aligned with requirements of Ukraine’s accession process towards the EU membership.

The Antimonopoly Committee of Ukraine is the Beneficiary of the COMPASA Project.

3 main Project Components are the following:

Component 1: “Review and strengthen the competition policy of Ukraine in line with EU legislation and practices”;

Component 2: “To review and enhance the State aid policy framework of Ukraine in line with EU legislation and practices”;

Component 3: “Strengthening of Institutional Capacity of the State aid system”.

მოსალოდნელი შედეგები:

- 1) Significantly improved and functioning competition policy system in Ukraine aligned with EU legislation and practices;
- 2) Significantly improved and functioning State aid policy system in Ukraine with EU legislation and practices.
