Expected results:

- To improve management and administration of the Legal Aid Service (LAS).
- To improve the Legal Aid Service capacity providing quality services to the citizens.
- To advance access to legal aid services and cooperation between service providers.
- To increase access to legal aid service through digital channels.
- To increase awareness on legal aid as a critical component of the justice system through communication campaigns and international events.
- To strengthen independence and effectiveness of legal profession by providing a systemic support to the Georgian Bar Association (GBA).
- To raise public awareness on the Alternative Dispute Resolution (ADR) mechanisms – mediation and arbitration.
- To assist the Georgian Association of Arbitrators (GAA), Georgian International Arbitration Centre (GIAC), Arbitration Initiative Georgia (AIG) in increasing their institutional capacities
